

Joint, Ligament and Flexibility Support*

Immunocidin™

Advanced Lymphatic Purification; Joint, Ligament and Flexibility Support

Superior lymphatic detoxification even in chronic cases*

Key Benefits

- Advanced support for lymphatic, immune and blood purification*
- Promotes optimal joint, ligament and flexibility support*
- Promotes healthy inflammatory balance and pain relief, especially back pain*
- Naturally contains oleanan-type triterpenes and three new cincholic acid glycosides

Recommended Use. Adults or children (age 4 & up): Take 1/4 teaspoon mixed in 1/4 cup water or juice, 1 to 2 times daily. Shake gently before use.

“What a wonderful gift from Nature! A revolutionary, new class of nutrition has been born - we simply call it “nano’s”. To make them, we put to work the most powerful, hard-working, beneficial probiotic bacteria to “nanize” (i.e. break down into ultra-small, unusually easy-to-absorb particles) the very best botanicals. In this formula, we “nanized” quantum-state quality devil’s claw (of lymphatic purification fame), cat’s claw (of joint and pain relief fame) and their botanical synergists – to deliver **one of our most incredible products yet.**”

“Recently, we saw a 45-year-old man who had had painful, congested lymphatic nodules (“bee-bee’s”) in the groin area for many years. After using Immunocidin™ for a few days, he noticed an immediate cleansing action and clearing of the nodules – with some left-over congestion moving lower in the left leg (so he will need to continue to clear that as well). He was amazed at the immediate action of “nanized” nutrition. Once again, this is nutrition that really works!”

-- Robert J. Marshall, PhD, CCN

Immunocidin™-- Ingredients

Serving Size: 1/4 teaspoon (30 drops)

Nanized Botanical Concentrate: Nanized African Devil’s Claw (tuber) (*Harpagophytum procumbens*), Nanized South American Cat’s Claw (root bark) (*Uncaria tomentosa*), Nanized Indian Turmeric (rhizome) (*Curcuma longa*), Nanized Chinese Green Tea (leaf) (*Camellia sinensis*), Nanized Grade A Chinese Chlorella (broken cell wall) (whole) (*Chlorella pyrenoidosa*)

Nano-Flora Complex: Nanized enzymes, complex cell wall lysates and ferments from 12 strains of beneficial bacteria: Lactobacillus (including casei, acidophilus, salivarius, bulgaricus, sporogones and plantarum), Bifidobacterium including longum and bifidum, streptococcus thermophilus, providing naturally occurring vitamins (10 types), including B complex, minerals (8 types), amino acids (18 types), superoxide dismutase, lipoic acid, organic acids (includes acetic, formic acids), cell wall lipopolysaccharide-glycopeptide complexes

Natural Preservative: Certified organic grain neutral spirits 20% as a preservative.

Other ingredients: None (no toxic tag-a-longs)

Bio-energetically sequenced to achieve a quantum shift in cellular resonance; preserved with premium-grade, certified organic alcohol (no pesticide or heavy metal residues detected)
