High Performance Digestive Support

Our Leading Digestive Formula

Quantum Digest

- Highly effective enzymes for digestive support as well as whole body cleansing*
- To digest food, the pancreas releases protease to digest protein, amylase to digest carbohydrates and lipase to digest fat. Eating cooked foods spends large amounts of enzymes, leaving most people with large enzyme deficits.
- Enzyme deficiencies can contribute to constipation, hearing loss, arthritis, cystitis, diarrhea, hay fever, incontinence, allergies, depression, fatigue, mood swings, PMS, skin rashes, hot flashes, sinusitis, diverticulitis or irritable bowel syndrome.*
- 100% solvent-free vegetable capsules
- Excipient-free: no binders, fillers, glues or other toxic tagalongs as found in tablets and gelatin capsules

Quantum Digest (188mg/Vcap, 60 Vcaps/bottle)

Each Vcap contains: Highly purified plant enzymes yielding:

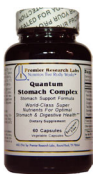

Protease	30,000	HUT (Hemoglobin Unit Tyrosine base)
Lipase	745	LU (Lipase Unit)
Amylase	10,000	DU (Alpha-amylase Detrizing Units)
Cellulase	600	CU (Cellulase Unit)
Invertase	0.75	IAU (Invertase Activity U)
Lactase	1080	LacU (Lactase Unit)
Maltase	250	DP (Degrees of Diastatic Power)
Japanese Coral Minerals	 100mg
which yield:		
Highly Ionized Calcium	 25mg
Highly Ionized Magnesium	 12mg

In a substrate rich in organic acids from organically grown sources.

Other Ingredients: 100% solvent-free vegetable capsules, 100% excipient-free (no magnesium stearate, silicon dioxide or other toxic tagalongs)

Recommended Use: Adults or children (age 4 and up): take 1 Vcap per meal. For special programs, 2 to 4 Vcaps per meal may be used.

Quantum Stomach Complex

- Synergistic, broad-spectrum phytonutrients for optimal digestive support*

Quantum Betaine HCL

- Natural source, beet-derived betaine hydrochloric acid
- Assists the body's natural stomach acids in the digestion and absorption of nutrients, especially protein, calcium, magnesium, phosphorus, iron, B-12*
- 100% solvent-free vegetable capsules
- Excipient-free: no binders, fillers, glues or other toxic tagalongs as found in tablets and gelatin capsules

Quantum Betaine HCL (650 mg/Vcap, 60 Vcaps/bottle)

Ingredients: U.S.P. Grade, Natural-source (beet-derived) Betaine Hydrochloric Acid
Other Ingredients: 100% solvent-free vegetable capsules, 100% excipient-free (no magnesium stearate, silicon dioxide or other toxic tagalongs)

Recommended Use: Adults or children (age 4 and up): Take 1 Vcap, after each meal daily, especially cooked meals. May also be used between meals.

"Recent molecular biological research points to the critical need to supplement digestive enzymes after consuming cooked food. The simple act of using a good digestant after each meal can conserve large amounts of stored enzymes as well as protect the body's organic acid substrates and other raw material stores, critical for ongoing enzyme synthesis to prevent premature aging and early death."

 -- usually not listed on the label

Vcaps (Vegetable Capsules) Vs. Gelatin Capsules

We use 100% pure, preservative-free Vcaps (vegetable capsules) from Capsugel which dissolve rapidly, regardless of the food temperature, unlike gelatin capsules which are hard to digest, temperature-sensitive, contain toxic preservatives and carry the risk of "mad cow" prion exposure. We also do not use Chinese vegetable capsules which often contain solvent residues.
